

June 9 & 10, 2019

AISE

Double Tree by Hilton Universal, Orlando, Florida

ALMA International Symposium & Expo

Where Business & Education get done!

The Association of Loudspeaker Manufacturing & Acoustics International (**ALMA**) has issued a “Call for Content” for the AISE2019. The goal of content presentations is to present new, cutting edge education focusing on technical, business, marketing, and general education related to the electroacoustic and audio industry and all technologies that impact our industry.

- **AISE2019** will be held at Double Tree by Hilton Universal, Orlando, Florida, USA on June 9 & 10, 2019
- **ALMA** seeks to provide a vibrant and interactive forum to discuss the current and future innovation, as well as the opportunities throughout the audio world.

All presentations will be broken down into one of three tracks:

- **Technical** and related Content
- **Business** and related Content
- **Education** related content (includes content for students, and content presented by students)

Papers, Advertorials, Seminars, Demonstrations and Exhibits may cover a wide range of products, services, and topics, as long as it relates to the electroacoustics and audio industry.

- **Papers:** Presentations of academic nature and not self, corporate, or product related. **20** minutes or less in length.
- **Advertorials:** Presentations geared toward a particular brand or product. **20** minutes or less in length. Advertorials will be at no charge for exhibitors who will also receive priority placement in the schedule.
- **Seminars:** Presentations of purely educational value and generic in subject matter. May be from 1 to 4 hours.
- **Exhibitor Focus:** **ALMA** will come to each booth during AISE to video record a 1 to 2 minute spot about the exhibitor’s company, product, or service to be posted to Vimeo and the **ALMA** website after the show. No charge for exhibitors and automatic unless the exhibitor chooses to opt out.

As a “Thank-you” to our valued Presenters, we offer a FREE 1 day All Access Pass the day of your session as well as breakfast and lunch

Specific content for Papers and Seminars that we are seeking includes, but is *not* limited to: Current transducer design and innovations. DSP & signal processing. Microphones and acoustics. Micro speakers, wireless phones, headphone technology. Testing & production. System design. End of Line testing. New technologies.

- All submissions will be considered by our **AISE** Committee on the basis of their overall quality and relevance to and value to the industry, original content, and practical feasibility and usage of topic and information presented.
- **ALMA** tries to accommodate all valid submissions, however every year we are forced to decline several excellent presentations because of late submission, and no presentation space left. *First come, first served.*
- **Please submit entries to management@almaint.org no later than January 31, 2019**

Terms of presentation:

ALMA International invites and welcomes all proposals for presentations. All abstracts will be evaluated based upon the quality and relevancy of content to our attendees. We will always try to accommodate as many presenters as possible, but ALMA reserves the right to decline any content for any reason.

Deadline to submit content for consideration is January 31, 2019 (but may close earlier if content openings are filled.) Presenters give their express permission to ALMA International to reproduce and/or use the content for the benefit of the association and our members.

Completed Power Point's or PDF's must be submitted to management@almaint.org at least 30 days prior to AISE2019. NO presentation will be permitted at AISE2019 without Power Point or PDF review and approval at least 30 days in advance of AISE.

Be sure to **SAVE** this form when completed and submit, along with a current head shot to:
management@almaint.org
