

# PCB PIEZOTRONICS CONTINUES 2019 WEBINAR SERIES

PCB Piezotronics Inc. has added new topics to its 2019 webinar series. Taking place on the third Thursday of every month, these free sessions offer training on a variety of topics including piezoelectric sensor basics and environmental noise monitoring.

We continue the series on Thursday, April 18th at 2pm EST with Introduction to Accelerometers, hosted by Kevin Kolmetz, Product Marketing Manager for the Test & Measurement Division. The one hour, online events continue through September.
